Baby Bottle Boomerang

The Pregnancy Resource Center of Henry County is holding a "Baby Bottle Boomerang Campaign" again this year to support the mission of the Pregnancy Resource Center.

How It Works:

Fill a baby bottle with money this month and help the Pregnancy Resource Center of Henry County with its mission of saving lives, both physically and eternally.

This will begin February 26th and go through March 26th.

We will send a bottle home with each child. If you do not want to participate in this Campaign the bottle must be returned to the school.

Last year we raised \$1,500 for this Campaign. Let's see if we can exceed this amount this year.

Reminder Parents:

- *Please do not send your child back to school until they are 24 hours free from throwing up and fever. This is common courtesy.
- *If you are not receiving the school cast call please let the school office know as soon as possible.

Spaghetti Suppers

Once a month we will be hosting a spaghetti supper to help students earn their way to summer camp. The cost is \$3.00. The next one will be held on March 5th. Come and join us for food and fellowship.
