### **Spirit Night at Truett's**

Spirit Night at Truett's is being changed to the third Wednesday of the month.

### **Elementary Parents:**

1. All elementary students are to go to the lunchroom if arriving at the school before 8:15. Please do not go to your room. Teachers will be in a meeting and your children will be unattended. Thank you for your help with this.
2. We are finding it difficult to find room mothers/parents. Please pray and consider doing this for your child.
3. All those who are driving, please slow down when coming onto the school property.

### **Kroger and Publix Cards**

If you are interested in using either or both of these cards, they will financially benefit BBCS. We have Publix cards available and Kroger*Plus* cards can be obtained at any cash register at Kroger.

You have a Kroger scan sheet (in your child's folder) that must be scanned each time you purchase something. After you have read the letter on your Kroger Earning plus Learning sheet, you may discard the top portion and keep the bar code to use each time you shop at Kroger. We had 42 families registered last year and received a check for \$252.33.

### **A Mother's Touch**

- The September menu is available for your viewing on Edline.
- The Soup of the Day is now listed on the menu. This is for the Jr. and Sr. High students only.
